

# Hindusthan Group of Institutions

Scaling the Skilling Summits

## ENGAGEMENT

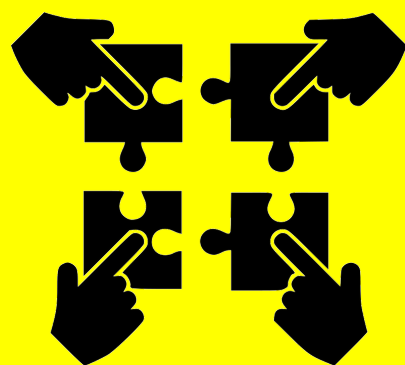

Hindusthan Group of Institutions, Coimbatore - one of the premier educational groups in the country (Engineering colleges, Arts & Science, Architecture, Polytechnic) - has chosen NASSCOM/MeitY FutureSkills Prime as their primary digital skilling platform.

AI, Machine Learning, Data Analytics, Web/mobile development, and Cybersecurity technology streams, and Communication skills, Collaboration and teamwork, Design thinking, and Problem-solving, chosen as the professional skilling areas for students

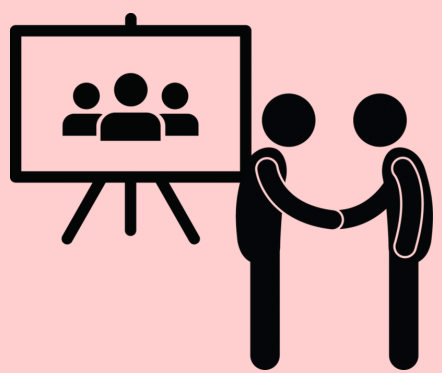

## EXECUTION

Learners were onboarded on the platform in December 2021. An action group led by their Chairperson are working closely with the FutureSkills Prime team, to direct and guide the students on active pursuance and completion of identified courses

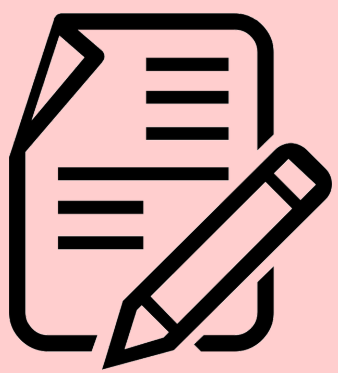

This action group model enabled active content adoption amongst students, driving them towards course enrolments and completions at an exceptionally rapid pace, setting platform records, and building up to a successful collaboration with NASSCOM
